**Mental Health America  
of McLean County  
Presents:**

**The Future Landscape  
of Behavioral  
Healthcare and its  
Impact on McLean  
County**

*The Mission of Mental Health America of McLean County is to inform and involve our community in understanding mental health issues and to facilitate the maintenance of a community environment that meets the needs of persons with mental illness and promotes positive mental health status.*

### **Our Afternoon Facilitators**

**Stephanie Barisch** received her Master's degree in Clinical Psychology from Illinois State University in 1997 and was licensed as a Clinical Professional Counselor in 2001. Following graduation, Stephanie provided clinical services at Cunningham Children's Home in Urbana and The Children's Foundation in Bloomington. In 2003, she transitioned to McLean County Center for Human Services in the SASS program and then followed the SASS program to Catholic Charities when it changed providers in 2004. Stephanie currently acts as the Regional Clinical Supervisor for the Peoria and Bloomington branch offices of The Center for Youth and Family Solutions – a new social service agency that assumed the services previously provided by Catholic Charities - managing the Family Counseling, ICG, and SASS programs.

**Dr. Diane Zosky** is an Associate Professor and Director of the School of Social Work at Illinois State University. She is a clinical social worker and completed her MSW from the University of Illinois Urbana-Champaign in 1983 and her Ph.D. in clinical social work from Loyola University Chicago in 2000. Her interest of teaching, practice, and research has been in the area of domestic violence and she works part time with The Center for the Prevention of Abuse in Peoria as a facilitator for the Family Violence Intervention Program.
